Humble memorial of B. M. Narasimha Rao,
Peon of the Office of the Health Inspector,
Anti-malaria Scheme, KARKALA UNIT. S. K.

Honoured Sir,

The memorialist begs to lay the following facts for your kind and sympathetic consideration and favourable orders

2. That he has been working as a Peon in the Antimaleria Scheme, Puttur, S. Kanara since 1-12-1949 and has put in a continuous service of more than 3 years by now

3 He has now been given to understand that he is likely to be ousted from service for reasons of agebars for regularisation. Hence this appeal to you for succour.

4. The memorialist is a war service candidate. He joined the Indian Military service on 3-8-1942 as a soldier and rose to the rank of a Naik Driver. He had served in the Army for 4 years and 158 days and was released on 9-1-47 due to the reduction in the Indian Army on demobilization.

5. (i) During his long service in the military as stated above his character has been assessed as very good and he has been awarded a war medal and India Service Medal. (Vide enclosure No. 1) Discharge certificate enclosed for favour of perusal and return.

(ii) He has passed the literacy test in Kannada at Kankinara (Assam) on 24-5-1946 and possesses a Certificate (Vide enclosure No. 2)

(iii) Under various capacities in which he had served in the Army, he has been licensed to drive motor Vehicles. He had served as Nursing orderly in the M. I. Room 6, Indian Base work Shop, Kankinara. Captain J. L. Dasak I.M.S/I.A.M.C. under whom he had served for about 8 months has been pleased to certify his (memorialist's) already in no small language (Vide enclosure No. 3)

6. After his discharge from military service on 9-1-1947, in the pursuit of seeking employment in Civil Service, the memorialist got his name registered in the District Employment Exchange South Kanara.

(i) As per Registration No. 2541 of the District Employment Officer, South Kanara, he was appointed as a chowkidar, Kinnimulky, Udipi Rationed area in a leave vacancy for two months as per order L.Dis. No. 1875/47-P5 dated 12-5-1947 of the District Supply Officer, South Kanara.

(ii) On the expiry of the leave vacancy as chowkidar the memorialist, underwent many hardships, to secure other civil employment for some time and it was only in the year 1949, he was appointed as an Acting Prohibition Guard at Bantwal Station of South Kanara District, in a temporary

Vacancy. He had served for 5 months till the last week of October 1949 when the permanent circumbene joined duty, the memorialist was ousted for want of a vacancy.

(iii) The memorialist was renewing his card for employment periodically with the District Employment Exchange. In accordance with the renewed registration number 2843/49 and upon the advice of the District Employment Officer, S. K. the District Health Officer, South Kanara was pleased to appoint the memorialist as a peon in the Antimaleria Scheme Puttur in his F. Dis. No. 4484/49 (R.F. 48) dated 30-11-1949 and posted him to work under the Health Inspector, Karkala unit. He joined duty on the forenoon of 1-12-'49 and has been working as such without any break in service till now.

7. As stated in para 3 supra, the memorialist has been served with anotice of discharge from service stating that he has been barred by age and that his services cannot be regularised. In this connection the memorialist begs to submit (i) that he has born on 15-12-1921 as per (Vide enclosure No. 4) School Certificate. As stated in para 4 above, the memorialist joined the military service on 3-8-1942 at an age when he was only 20 years 8 months and 18 days old. As such the memorialist has commenced his approved war-service within the age limit prescribed.

(ii) It may also be pointed out that, as per amendments ordered in G. O. Mis. No. 3607 Public (Services) dated 15-12-1947, to the Madras Provincial and subordinate service Rule 1941, if the period of war-service rendered by the memorialist is excluded in computing his age for appointment, and considering his service as chowkidar and Prohibition Guard, he is eligible to hold the present job.

(iii) It may further be submitted that as per Rule 6 B of the Madras Civil Service (War Service Personal) Recruitment Rule 1941 ordered in G.O. 165 Public (Services) Dated 21-1-1947 even for counting seniority in service it has been stated that a candidate with war-service who is appointed to any post, class category or any grade (otherthan the Madras Subordinate Judicial Civil Service) shall for purposes of seniority be treated as of he had been appointed to such service, class or category or grade on the date on which he commenced approved war-service or that on which he attained the age of 23 which-ever is later x x x x." Under the explanation for age in the same rule this should "the age of 23 mentioned in this rule shall apply to all posts for which the age limit for direct recruitment is 25. In the case of posts for which a different age limit has been prescribed the age which is two years below that limit shall appply" Hence the memorialist prays that he was within the age limit prescribed when he entered military service and is eligible for regularisation in the post from 1-12-1949 on which date, he joined duty as a peon in the Antimalaria Schme of the Public Health Department.

8. The memorialist begs to add that, the Antimaleria Scheme in the state of Madras was started as a part of the postwar reconstruction programme, and the staff entertained are on substantive lines eventhough the appointments, particularly of the lower staff, are made on temporary basis. In this respect it may be pointed out that under Rule 6 c(1) of the Rules of the Madras Civil services (war Service Personal Recruitment Rule 1941, and in G. O. No. 421 Public (Services) dated 25-2-1948, that a candidate with war service who is appointed to a civil service or civil post should be placed on probation and that the candidate should not be discharged for want of a vacancy. Under rule 6c(ii) it is stated that a candidate with war-service who is appointed against a temporary vacancy even should not be discharged for want of a vacancy and has got precedance over others in the matter of appointment.

9. Under the circumstances narrated above and considering the various other orders of the benigh Government issued from time to time to give relief and succour to Ex-army men who has

staked their life in the defence of the country, the memorialist prays that he may be retained in the post held by him now and regularise his services. In the event of his prayer being heard and his wishes granted, he assures that he, who had rendered useful services in most trying and risky theatres of war at Assam etc., will not lag behind, to give complete satisfaction to his employers, in the discharge of his duties in civil service.

With earnest prayers for a compensinate consideration of the above facts and hoping for favourable orders,

Yours faithfully,

"JAININD" B.M. Narasimha Rao

I forward herewith the petition of Sri B. Narasimha Rao, peon, Anti-Malaria Scheme, Puttur, South Kanara District, requesting that his temporary services may be regularised.

Sri B.M. Narasimha Rao, was appointed as a temporary peon in the Anti-Malaria Scheme, Puttur, with effect from 1.12.49. His date of birth is 15.11.1921, and he cannot be appointed as a peon regularly as he is overaged. But considering his military service of about 4½ years from 3.8.42 to 9.1.47, I recommend that the rule relating to age-limit may be relaxed in his favour to enable him to be appointed regularly as a peon.

The petitioner's Military Discharge Certificate of Literacy, Testimonial given by Captain Barakand 'Date of Birth' certificate are enclosed. Copy of letter R.No. 889/52 dated 3.12.52 from the Health Officer, Anti Malaria Scheme, Puttur under whom the peon is working at present is also enclosed for information of Government.
